

238 I am aware that everything is connected and things/events are evolving and transforming together as inter-connected systems (or systems of systems of systems, etc.)

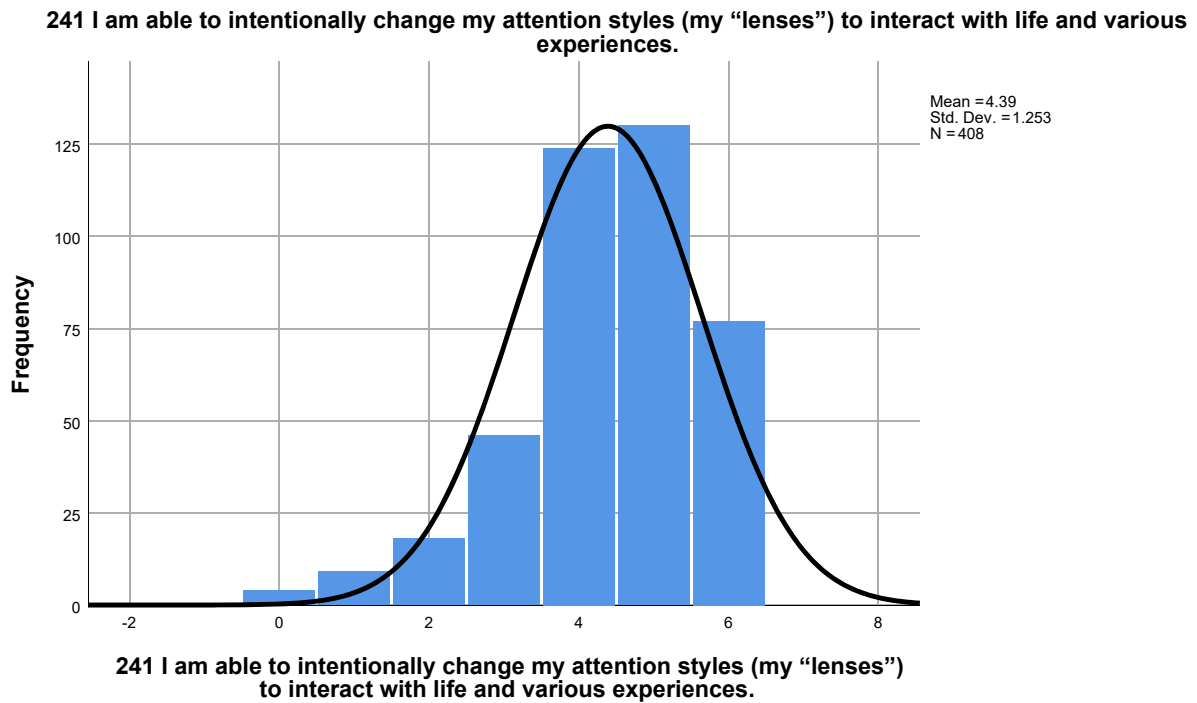

238 I am aware that everything is connected and things/events are evolving and transforming together as inter-connected systems (or systems of systems of systems, etc.)

239 My everyday life has a witnessing-contemplative quality, I am able to 'just be' and 'feel life', while I am doing my activities.

239 My everyday life has a witnessing-contemplative quality, I am able to 'just be' and 'feel life', while I am doing my activities.

242 It is easy for me to maintain my full attention as a wide-awake witness, and simultaneously complete everyday tasks with total focus and involvement.

242 It is easy for me to maintain my full attention as a wide-awake witness, and simultaneously complete everyday tasks with total focus and involvement.

243 I experience moments of unconditional love.

243 I experience moments of unconditional love.

244 I can easily detect if a person seems to be locked in a collective cultural mirage or they have awoken from culture and civilization “hypnosis”.

244 I can easily detect if a person seems to be locked in a collective cultural mirage or they have awoken from culture and civilization “hypnosis”.

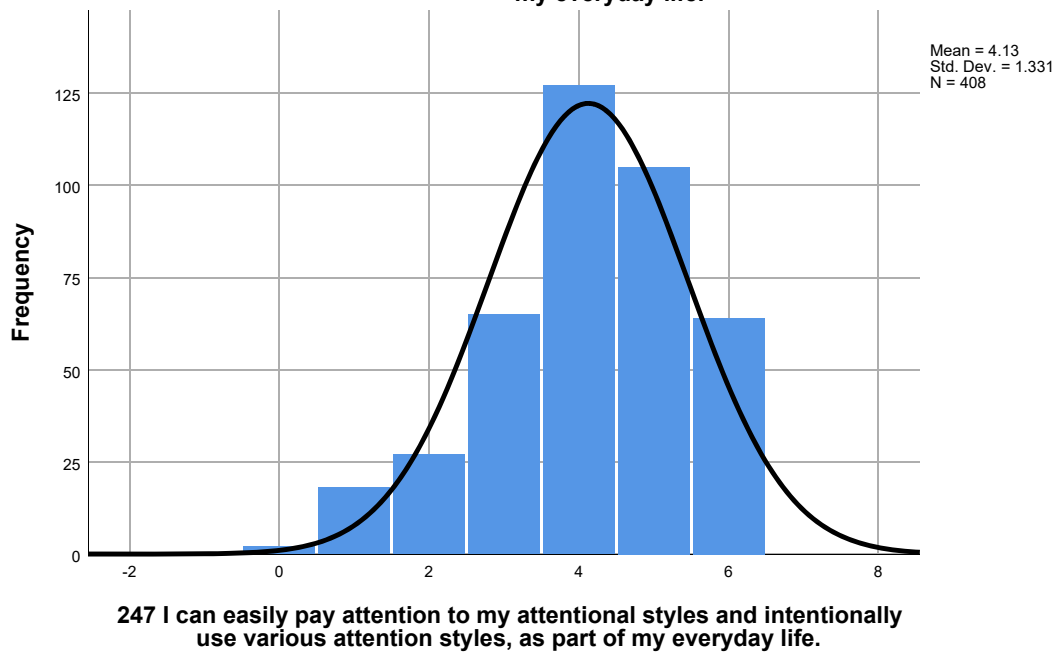

245 The energy of life flows through me as a natural feeling of love directed toward me and everything around me.

245 The energy of life flows through me as a natural feeling of love directed toward me and everything around me.

247 I can easily pay attention to my attentional styles and intentionally use various attention styles, as part of my everyday life.

248 I am aware of how all things are interconnected in systems and flows.

248 I am aware of how all things are interconnected in systems and flows.

249 My everyday life has an intense quality of "freshness", as if each moment is entirely new.

249 My everyday life has an intense quality of "freshness", as if each moment is entirely new.

250 I have a deep connection with my body, as if we have a love affair.

250 I have a deep connection with my body, as if we have a love affair.

251 I enjoy interacting with life, by watching the consequences of my actions and then adjusting my actions based on life responses.

251 I enjoy interacting with life, by watching the consequences of my actions and then adjusting my actions based on life responses.

252 I am aware of how the food I eat influences my body in the hours after I ingest it.

252 I am aware of how the food I eat influences my body in the hours after I ingest it.

253 I feel life energy flowing through me.

253 I feel life energy flowing through me.

254 I experience life through multiple perspectives, simultaneously.

254 I experience life through multiple perspectives, simultaneously.

255 For me, love feels like a deep, silent, and flowing resonance with life.

255 For me, love feels like a deep, silent, and flowing resonance with life.

256 I am sensitive to how the energy of the natural environment influences my own energy.

256 I am sensitive to how the energy of the natural environment influences my own energy.

257 I am aware of how culture and civilization itself, as a system, tends to bias my inner experience, my thinking and behaviours.

257 I am aware of how culture and civilization itself, as a system, tends to bias my inner experience, my thinking and behaviours.

258 I experience moments of bliss, as if my entire energy body is buzzing at a high frequency.

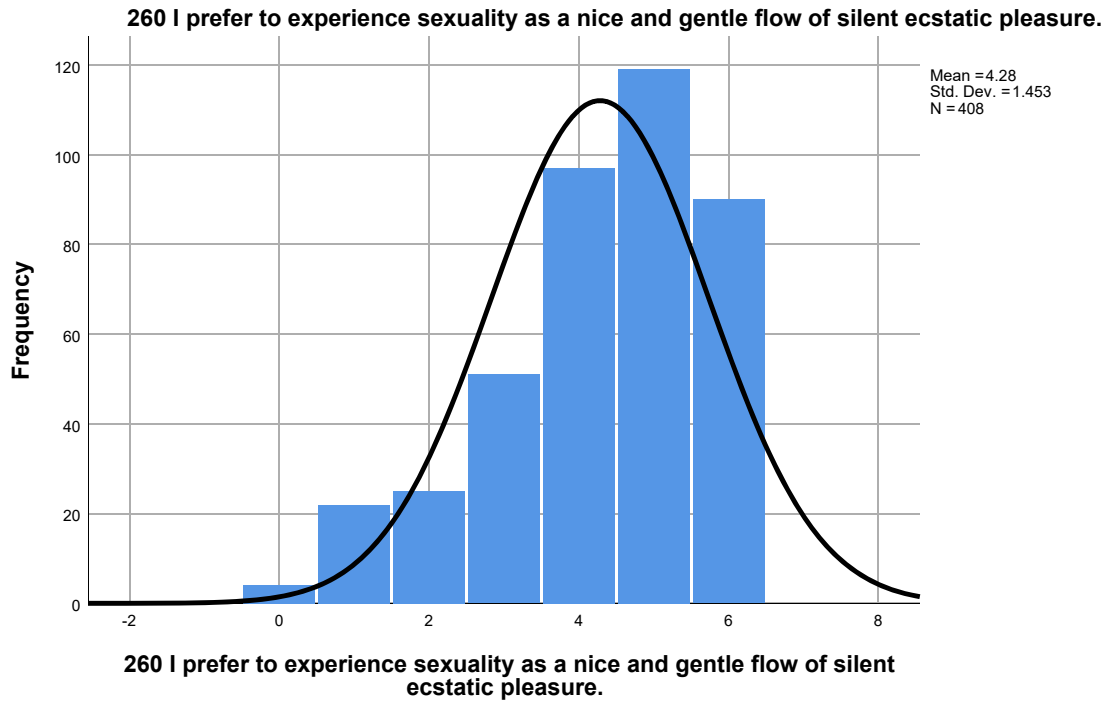

258 I experience moments of bliss, as if my entire energy body is buzzing at a high frequency.

259 I am aware and in touch with the non-conceptual "I am / just being" experience.

259 I am aware and in touch with the non-conceptual "I am / just being" experience.

262 I am aware that culture/civilization is creating a consensual “reality” in which people act as if on automatic pilot.

262 I am aware that culture/civilization is creating a consensual “reality” in which people act as if on automatic pilot.

263 I like to connect to people and other life forms with kindness and respect.

263 I like to connect to people and other life forms with kindness and respect.

264 I am aware of the qualities of my energy body (such as high frequency vs. low frequency, high density vs. low density, etc.).

264 I am aware of the qualities of my energy body (such as high frequency vs. low frequency, high density vs. low density, etc.).

265 I am aware that all human beings are intricately connected, and we are part of a larger collective organism (life).

265 I am aware that all human beings are intricately connected, and we are part of a larger collective organism (life).

268 Natural events (e.g., weather, rain) occur in tune/synchrony with my inner life.

268 Natural events (e.g., weather, rain) occur in tune/synchrony with my inner life.
